Payments:

Payment is to be made in full when your guaranteed reservations are given (7 days prior), unless other arrangements have been made. We prefer cash or check, but we also accept Visa, MasterCard, Discover and American Express .

A 4% processing fee will be added for all credit cards. (deposits are not charged this fee).

Gratuuity is not included and is left to your discretion. All food items are subject to change and sales tax rate based on where the food is being served — unless a State of Illinois tax exempt letter is submitted prior to your event.

Venue Fee:

Some venues require a "venue fee" in order to serve food or beverages at their facility. This fee ranges between 10-15% and is added to your gross total. This percentage is dependent on the venue in which you are having your event, so please reach out to a manager for the particular fee based on the venue.

Mileage / Travel Fee

Service charges and/or delivery charges may be applied to certain orders based on group size and location. Any event over a 20 miles radius from Taylorville, will be charged a \$50 travel fee per event. We do not book events that are over one hour from our location.

Guarantee & Portions:

The final guaranteed number of guests must be received by Angelo's Catering by seven (7) days prior to your event. Otherwise, the guest count listed on the signed contract will be considered your guarantee. You will be charged for the actual guest count in the case it exceeds your guarantee. In order to provide you with the best possible price, we do not provide an overage for food. Please let our staff know in advance if you expect a larger than normal consumption of food.
