# Helpful Hints

**The recommended selling price for tickets is \$12-\$15**

**Plan on 8-10 volunteers for serving groups of 200. For meals over 500, we recommend an additional 8-10 volunteers.**

**We recommend that adult volunteers are used in the food prep area. Student/child volunteers can deliver food to customers.**

**Sell as many tickets as possible before the event. We will only bring food for the amount of tickets sold.**

**If you are unable to meet the required 200 person minimum, you will have the option to reschedule (must have 7 days notice) or additional fees may apply.**

**We suggest a serve time of 2 hours for food quality purposes.**
