Introduction

Welcome to Angelo's catering, where exceptional service and delicious food have been our passion since 2010. Born out of the kitchen of our original Angelo's Pizza restaurant – a beloved Christian County staple since 1965 – we've grown to meet the needs of our community and surrounding areas. In 2017, we moved into a dedicated catering building, allowing us to expand our offerings and serve our customers better than ever.

While we're known for our mouthwatering pizza and pasta, our catering menu goes far beyond that. From poultry, beef and pasta to a wide variety of other options, we've curated a diverse selection to ensure every taste and preference is satisfied.

We're happy to accommodate dietary restrictions and are always open to creating new and exciting ideas for your event. So, if you don't see what you're looking for, just ask – we'll make it happen!

At Angelo's Catering, we don't just deliver food; we deliver an experience. Our team is dedicated to providing the highest level of service, from the moment you contact us to the final bite of your event. We pride ourselves on attention to detail, professionalism and a commitment to going above and beyond to make your celebration truly special. Whether it's a small gathering or the wedding of your dreams, we're here to ensure everything runs smoothly so you can relax and enjoy the moment.
